Marina City Office Building Complex
300 North State Street, Chicago, Ill.

Dear Gentlemen:

It has occurred that the duct work running along the outside of the building within the railway right of way coming from the commercial washrooms venting to Dearborn Street has fallen down.

Enclosed herewith please find a proposal from Hayes Boiler to install and secure the fallen section of duct in the amount of \$3904.00. If I receive no objection to same within the next five (5) days, a work order shall be issued to resolve this problem.

Thank you for your assistance in this matter.

Very truly yours,
